

Cue notes with lyrics

Voice and another voice (different clef) with cues to it:

Sopran

Sop. cues

A B C D E F G H I J K L M N O P Q R S T U V W X

A B C

a b c

d e f

Without cues (using `\killCues` e.g. in full score or choir score):

a b c

d e f

My problems with the above snippet:

-) The lyrics of the first cue notes start only on the second note!
-) The second cues don't have any lyrics any more.
-) How can I use the lyrics from the same position as the cue notes? I.e. 'E F G H' and 'Q R S T'.
-) The cue lyrics should be on the same line (but smaller) than the main lyrics.
