

Default flags (C++)      Symbol: 'mensural (C++)      Symbol: 'no-flag (C++)

Default flags (Scheme)      Symbol: 'mensural (Scheme)Symbol: 'no-flag (Scheme)

Function: normal-flag      Function: mensural-flag      Function: no-flag

The image displays three musical staves in 2/4 time, each illustrating a different flagging scheme. The first staff, labeled 'Default flags (C++)', shows a sequence of notes with various flags: a normal flag on the first note, a mensural flag on the second, and a no-flag on the third. The second staff, 'Default flags (Scheme)', shows a similar sequence but with different flagging. The third staff, 'Function: normal-flag', 'Function: mensural-flag', and 'Function: no-flag', shows the same sequence with flags explicitly labeled by function.
